Disc Imprint
117.45mm ID - 20mm OD

Printable area:

Magenta die line represents the inner and outer diameter of the disc. This is the printable area.

Bleed Line:

Please submit your disc art as a 120mm x 120mm square graphic. Do not "cut" out the disc shape or center hub.

Mirror Band | Stacking Ring

If printing on silver (no whiteflood) the printable area is 118mm - 46mm. Printing beyond 46mm may result in unreadable text due to the mirror band.
